

Default Question Block

ManyBabies1 registered protocol change form

Please use this form to register any changes to the protocol you outlined in the laboratory questionnaire you filled out at the beginning of data collection.

Please list your lab ID here (e.g. bll-umanitoba)

Which study(ies) are you registering a protocol change for? (check all that apply)

- ☐ ManyBabies1
- ☐ ManyBabies1-Bilingual
- ☐ Gaze Following study

I would like to

- ☐ cancel my registration in ManyBabies (I will NOT be contributing data to ManyBabies)
- ☐ update or revise my number and/or age distribution of participants
- ☐ update or revise my stopping rule
- ☐ update or revise my procedure
- ☐ Other

Please **describe clearly** your reason for the change, and confirm in your explanation that the decision was **NOT** influenced by knowledge of the data collected so far. In particular, it is important that your decision was not influenced by a higher (or lower) than expected "fuss-out rate" or by any emerging characteristics of the data.

This change took effect:

- ☐ At the start of data collection
- ☐ Starting on a specific date (please list)
- ☐ Other (please describe)

Please describe your changed stopping rule:

- ☐ I am switching from a specific N to a specific data collection period
- ☐ I am stopping data collection early
- ☐ I am switching from a specific data collection period to a specific N
- ☐ Other (please specify)

Please list the new number for each age group you are testing
